The Wheel of the Year

As the wheel turns, Pagans celebrate eight holy days or Sabbats. Some say the Lady of Life rules Spring and Summer, while the Lord of Death and Resurrection rules Fall and Winter. Others say the Divine Son is born of the Great Mother at Yule, lies in ecstasy with the young Goddess at Beltane, and sacrifices Himself in life's cause at Lughnassad.

Palmistry

Palmistry is the art of reading character and destiny from the shape of the hand and the lines of the palm. It is not fortune-telling but about learning oneself and where you are going. The palm gives us a map of our life and it is up to us to make the most of it: through self-awareness we can shape our fate and affect our future.
