Love with all your heart

Follow your dreams

Don't let the silly little things steal your happiness

I choose to be happy today

Life goes on

Like wildflower you must allow yourself to grow in all the places people thought you never would

Keep on dreaming

Believe

Never forget

Each morning we are born again, what we do today is what matters the most

Always look on the bright side

Have courage and be kind

There is a voice that doesn't use words, Listen

Faith
Hope
Love

Laugh
Live
Love

Believe
