Assembly and Instructions:

1. Print this image on a single sheet of paper (Select landscape orientation under page setup). Cut out the book.
2. Use fine scissors to cut along the dotted line in the middle of the image.
3. Fold along the middle line, so that pages 2 to 5 are on one side, and pages 6 and 7, plus this page and the front of the book are on the other side. This page will become the back cover.
4. Fold pages so they can be read in sequence. For step-by-step photos to show you how to fold the book, see the Valentine section of http://www.allfreeprintables.com
