
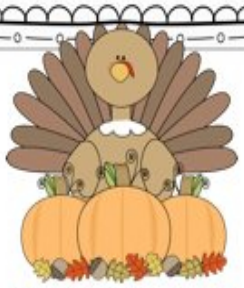
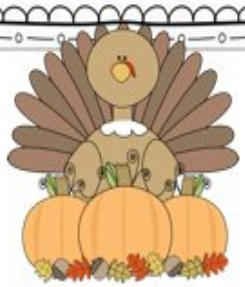
You invited me to dinner
with your family and your friends.
You didn't say I was the main dish.
For me it was "THE END!"

You frightened me so badly
I knew I had been duped!
So I left you with my calling card
this bag of Turkey Poop!



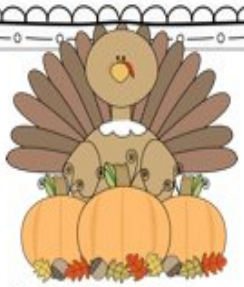
You invited me to dinner
with your family and your friends.
You didn't say I was the main dish.
For me it was "THE END!"

You frightened me so badly
I knew I had been duped!
So I left you with my calling card
this bag of Turkey Poop!



You invited me to dinner
with your family and your friends.
You didn't say I was the main dish.
For me it was "THE END!"

You frightened me so badly
I knew I had been duped!
So I left you with my calling card
this bag of Turkey Poop!



You invited me to dinner
with your family and your friends.
You didn't say I was the main dish.
For me it was "THE END!"

You frightened me so badly
I knew I had been duped!
So I left you with my calling card
