Christmas Cooking Schedule

Make a list by the times of what needs to be done when. Then set your timer for the next task and you can get it all on the table on time.

Christmas Grocery List

If you create a menu and shopping list ahead of time, you can use the Paviado App and/or shop sales to stock up for the Big Day. Cross things off as you collect them, and then make one final grocery run to get just the last few things on the list.
