6:00 a.m.: Wake up to the sound of the \_\_\_\_\_ beeping.  
\_\_\_\_\_ out of bed and go immediately to the \_\_\_\_\_  
maker. *Abhhh* . . . much better!

7:30 a.m.: Walk the \_\_\_\_\_, eat \_\_\_\_\_ for breakfast,  
and drive to school while listening to \_\_\_\_\_ on the radio.

9:00 a.m.: First period! Teach \_\_\_\_\_, hand back pop  
\_\_\_\_\_, answer questions about how to get extra credit.

12:00 p.m.: Only \_\_\_\_\_ minutes for lunch! Eat leftover  
\_\_\_\_\_ as quickly as possible. And drink another cup of  
\_\_\_\_\_, of course!

3:00 p.m.: School day is over for the \_\_\_\_\_, but the  
\_\_\_\_\_ work has only just begun. Grade \_\_\_\_\_, write

5:00 p.m.: Drive home, heat up \_\_\_\_\_ for dinner in the  
microwave, fall asleep while watching *The Real* \_\_\_\_\_ of (the)  
\_\_\_\_\_ on television!
