

The image shows a large rectangular frame with a dashed red border. Inside this frame, at the top, is a smaller rectangle with a solid blue border. Below this blue-bordered rectangle, there are ten sets of horizontal lines. Each set consists of three lines: a solid blue line at the top, a dashed red line in the middle, and a solid green line at the bottom. These sets of lines are stacked vertically, filling the lower portion of the dashed red frame.
