VAMPIRE SONG

THE VAMPIRE

The vampire wakes up
The vampire wakes up
Hi, Ho, it's Halloween!
The vampire wakes up.

The vampire stretches his arms
The vampire stretches his arms
Hi, Ho, it's Halloween!
The vampire stretches his arms.

The vampire shows his teeth
The vampire flaps his cape

The vampire's eyes glow bright
The vampire's eyes glow bright
Hi, Ho, It's Halloween
He loves this scary night.
