

Name: _____

Date: _____

HALLOWEEN

NUMBER WORD CHALLENGE

In the word HALLOWEEN below, each letter has a particular value. So H is worth 1, and L is worth 3.

H	A	L	L	O	W	E	E	N
1	2	3	3	4	5	6	6	7

Work out the value of these words. The first one is done for you.

ON = $4+7=11$	HEN =
WE =	ALL =
NOW =	HALL =
EEL =	LOAN =

Can you find words using the letters above which have these values?
You may be able to find several words for some of the values.

10 =	17 =
12 =	18 =
13 =	19 =
