

How to play: Roll three number cubes and add those numbers. Cover that space with your marker.
You can bump your partner's color and take their space! If you cover a space with two markers stacked on top of each other, you lock that space and it can't be bumped. The player to use all of their markers first is the winner!

The game board consists of 20 numbered spaces arranged in five rows of four. The numbers are: Row 1: 5, 10, 7; Row 2: 18, 3, 4, 9; Row 3: 17, 6, 14; Row 4: 12, 15; Row 5: 13, 7, 3, 8. Row 6: 16, 11, 18, 12. The board is decorated with Halloween icons: a jack-o'-lantern (top left), a beaker with green liquid (top right), a candy (left of 17), a bat (center of 17), a beaker with green liquid (right of 15), a beaker with green liquid (left of 13), and a candy (right of 12). The words "BOO BUMP" are written in a stylized orange font in the center of the board.
