

SKELETON GAME

You will need:

A dice

A set of pieces for each player.

- Cut out the pieces and place them in the middle of the table.
- Youngest person rolls first and play continues clockwise.
- Look at the number you roll and collect the piece for that number.
- First player to complete their skeleton is the winner.

For a 6, take a skull

For a 5, take a body

For a 3 or a 4, take a leg

For a 1 or a 2, take an arm
