

# Trick or Treat

## Logic Puzzle

Sam, Francis, Mackenzie, Jarone, and Boone went trick-or-treating around their neighborhood to collect candy on Halloween. When they finished, they all counted their candy. Use the clues below to discover how many pieces of candy each person collected.

### Clues:

- Sam didn't collect the least or the most amount of candy.
- Francis collected less candy than Jarone but more than Sam.
- Boone collected more candy than Francis but not the greatest amount.
