|  | 20   | <h2>Lucky Lizards Times 3 and 4</h2> <p>This game is for 2 players.<br/>You'll need dice, markers and counters in different colors.</p> <p>Take turns to roll the dice and move. When you land on a space, answer the multiplication and cover and give mark of your answer within the circle in the center.</p> <p>If you land on a lucky lizard, cover a circle of your choice. The first player to make a line of four of their counters is the winner.</p> |                |                |                |  | 16  | $2 \times 3 =$ |   |                |
