

DAY 1

God created light, separating it from darkness.

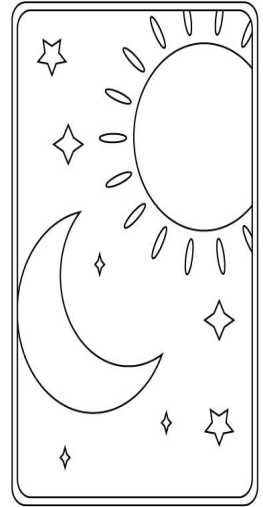

DAY 2

God separated the waters to create the sky.

DAY 3

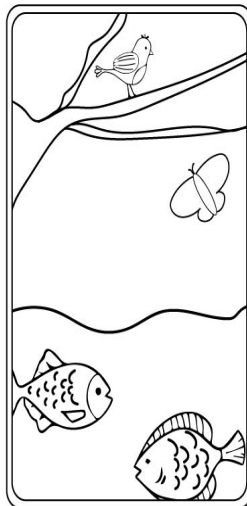

God gathered the waters to create dry land and brought forth vegetation.

DAY 4

God created the sun, moon, and stars to govern day and night.

7 Days of Creation

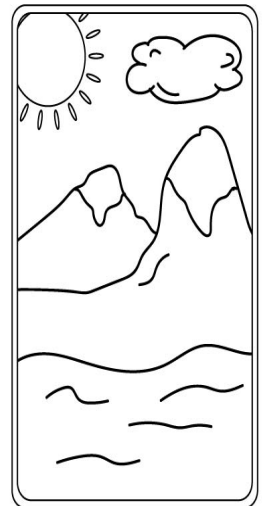

DAY 5

God created sea creatures and birds.

DAY 6

God created land animals and finally, human beings in His own image.

DAY 7

God took a break on the seventh day, creating the idea of the Sabbath as a time for relaxation and devotion.
