# DAYS OF CREATION

In the beginning, there was no sun, there were no people, fish or animals! The world was empty and darkness was everywhere. But God was there and He had a plan!
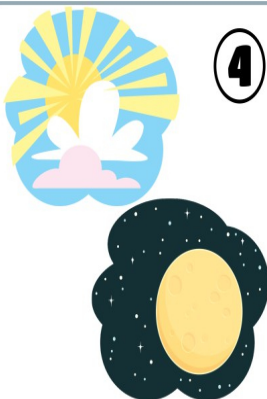

1

God said, "Let there be light!" And there was light! God saw that the light was good and He separated it from the darkness. He called the light "day" and the darkness "night". This was the end of the very first day.

2

On the second day, God said, "I will divide the waters." He separated the waters in the clouds above and in the oceans below. God called the space between them "sky".

3

On the third day, God collected the waters in the ocean and dry ground appeared. God called the dry land "Earth" and the waters "seas". Then God made hills, valleys and many different plants.

4

On the fourth day, God put the sun in the sky to shine in the daytime and the moon and stars to glow at night.

5

On the fifth day, God made all kinds of fish and creatures to swim in the seas and birds to fly in the sky. God blessed them and told them to have families and live all over the world.

6

On the sixth day, God made all the different animals that live on land. Then from the dust, God made the most wonderful creature of all – a man! God breathed life into him and called him Adam.

7

In just six days, God created our whole world – all the plants, birds, animals and the first man, and it was all good. On the seventh day, God rested. God blessed the seventh day.
