

An Easter-themed invitation card with a light pink background. A large, light pink circle in the center contains the text. To the left of the circle is a green leafy branch with two white daisies. To the right is a white bunny peeking over the top edge. Below the circle are two decorated Easter eggs: one with blue and yellow stripes on the left, and one with a blue and yellow diamond pattern on the right. The bottom of the card features a green grassy hill.
