

Merry Christmas (Child's Name)!

Hi (Child's Name),

*Can you believe how close we are to Christmas?
The elves and I have been really busy getting all the toys
and games together.*

*I've been looking over my list and I see that you've
been nice this year! You (accomplishment) this year
and you've been doing so well in school.*

*It says here on my list that you want a (gift) for
Christmas this year. Well, I'll see what I can do, because
you deserve it!*

*Just remember to get to bed early on Christmas
Eve. The sooner you get tucked in, the sooner I can
make my visit.*

*I sure do hope you leave out those chocolate chips
cookies and milk! They were so tasty last year.
Well, I'll be stopping by soon! In the meantime, Happy
Holidays!*

Warmest Wishes

Santa Claus
