

Tatertots & Jello

a lovely day
with lots of love -
2024! From "the class"
always had fun with friends
loved school and work -
having lots of great people
to help inspire & create!

A visit to Spinal Surgery

THE MOMEN

WE had a great 2023 and we
are excited for 2024! We are
this year we have already planned
some fun things including to visit
and see family!
2024 will be full of fun
church, school, sports & family fun!

Even though
2023 wasn't
over, there
always con-
tinues to
move!

In 2023 we will print one of our
pictures so we can enjoy them
together! Now that the kids are older
and like to be at college, we need one
to get together as a family and
have fun times!
