MEXICAN GRILL

## ABOUT CHIPOTLE

Our name derives from chipotle, the Mexican Spanish name for a smoked and dried jalapeño chili pepper. In 2001, we released a mission statement called Food with Integrity, which highlights our efforts in using organic ingredients, and serving more naturally raised meat than any other restaurant chain.

Almost all of the meat served in Chipotle restaurants is naturally raised, or "coming from animals that are never given antibiotics or added hormones and that are raised responsibly—that is, in accordance with our animal welfare standards."
