

There's a special bond
between you and me,
a bond that no one
can touch or see.
It binds us close
and keeps us strong
and always reminds us
that we're where we belong.
Should at times,
a tiny thread break,
a new one will form
in its wake.
Entwining our hearts
and spun of the finest gold,
the bond holds our love
firmly in its fold.
And it will ever
hold us near and fast
as such a bond
is meant to last.

I love you!
