

THANK YOU!

From there to here, from here to there,
baby things are everywhere!

I would thank you here or there.

I would thank you anywhere!

I would thank you on a boat,

I would thank you with a goat!

In the park or at the zoo,

because that was awfully NICE of you!

Thank you again! We are lucky to have such wonderful family & friends!

Love, Deanna, TJ & baby girl
