

Name: _____

Line Plotting

The school year is almost over, and all of the students got good grades! A teacher took a survey of his students' favorite colors in order to decorate his classroom. The line plot below shows his results.

Favorite Colors

1. How many students answered "green"? 1. _____
2. How many students answered "red"? 2. _____
3. Which colors received only two votes? 3. _____
4. What color(s) received the least amount of votes? 4. _____
5. How many students voted for a "warm" color? 5. _____
6. How many students are in the class? 6. _____
7. If the teacher decides to use the top two favorite colors, which colors would be used?
