

A.D.O.R.E organising your wardrobe

You will need:-

- Space for sorting the clothes – ideally a large flat surface such as a bed
 - Music and a drink
- Boxes or bags to put the clothes into when sorting
- Decluttering Category Cards to label each pile:-

A = Assess

The A.D.O.R.E Method of Organising

Step 1 – Identify your reason for getting organised

Step 2 – Take everything out of the wardrobe so you can see what items and what space you have

Step 3 – Assess the space you have to work with – where do you plan to put things etc...

Step 4 – Sort through each item and categorise into the above categories

D = Declutter

Step 5 – Deal with the RUBBISH / CHARITY / GIVE AWAY / SELL / ACTION piles (whether you put somewhere to action later or do the actions now is dependent on your time etc...)

O = Organise

The A.D.O.R.E Method of Organising

Step 6 – Find a place for everything that works for you – frequent items where you can access the most easily.

Step 7 – Organise each space – hang/stack/pile and sort as you see fit and to what your current storage allows

Step 8 – Get any organising items that are REALLY needed

R = Real Life
