CLUES

We should be singing Christmas songs
Take me to the ice-skating rink downtown
Oh come let us adore him, oh come let us adore him
Merry Christmas, I love you and I meant it
Hot chocolate fills the air and Christmas cheer does too
Snow is falling all around us
Take a look at the five and ten, it's glistening once again
the snow's comin' down
Snow is falling as the carolers sing
Playin' for the King, playin for the title
He's making a list, he's checkin' it twice
Feeling Christmas all around
I don't want a lot for Christmas
The snow on the ground, The love in the air
It's the most beautiful time of the year
On the 5th day of Christmas my baby gave to me:
They put up the Christmas lights on my street
Dear Santa, what happened to the plan we had?
Does that mean Christmas changes too
And surely ye'll be your pint stowp
I'll hold your hands they're just like ice
Chestnuts roasting on an open fire
Hey, how you doing, you scum is a pleasure to meet you
Take a trip down Candy Cane Lane with me
Christmas is here bringing good cheer
We were warm and wonderful
Candles burning low, lots of mistletoe
Ding dong ditch better get the door
Snow is softly falling
You're as cuddly as a cactus, you're as charming as an eel, Mr. Grinch
