
A **Q**

The image features two large, bold letters, 'A' and 'Q', positioned side-by-side. The letter 'A' is a dark brown color, while the letter 'Q' is a lighter, golden-brown color. Behind the letters is a faint, light-colored silhouette of a giraffe, which is partially obscured by the shapes of the letters. The giraffe's head is visible through the circular opening of the 'Q'. The entire composition is centered between two thin, horizontal grey lines.
