INSTRUCTIONS FOR MAKING A CLASS SET

ACTIVITY: **Hundreds Chart (1-100)**

GROUPING: Individual

AMOUNT REQUIRED: **30 charts**. Each chart is to be made up with '1-100' on one side and 'blank' on the other side.

PHOTOCOPIPING: Single sided

30 copies on white paper of 'Hundreds Chart (1-100)'

30 copies on white paper of 'Hundreds Chart (blank)'

30 sheets of coloured paper (as many different colours as possible) to paste the hundreds charts on each side...this gives a bright coloured border!

1 copy on OHP transparency for teacher demonstration

PACKAGING:

Each chart is to be made by pasting onto coloured paper: '1-100' on one side and 'blank' on the other side. Laminate, then place into a bag as follows:

1 Glad *large size* snap lock bag (green box) ➔ 1 bag = 30 hundreds charts
