

Charades

You are watching a movie.	You are riding a bus.	You are eating a sandwich.	You are cooking pasta.
You are studying for an exam.	You are driving a car.	You are drinking hot tea.	You are typing on the computer.
You are shopping with friends.	You are reading a book.	You are washing dishes.	You are waiting for the train.
You are singing a song.	You are playing tennis.	You are doing yoga.	You are writing a letter.
