

Baby Bingo Instructions

Give one bingo card to each player. There are a total of 13 cards. Randomly read ONE word from the list on this master card and mark it off (so as not to read it a second time). Allow guests time to find the word on their card and mark it off. Read another random word from the list and allow guests time to find it. This continues until someone fills in a row- vertically, horizontally or diagonally and yells "Baby Bingo!" Have multiple prizes as there may be more than one winner. Enjoy
