Dreams

- Estimate \$ for each item (pricing beforehand helps). Maximum total for all up to the amount you have budgeted.
- Discuss who wishes to pay for what with your groom, and if appropriate, both sets of parents.
- Write in who will pay for each item. (BP=bride's parents; GP=groom's parents; B=bride; G=groom; O=other).
- When you make a purchase or arrange for a service, write in the actual cost (or specific quoted estimate).
- Record your deposits and balances.
