

The Halloween Party

Abby the witch was very excited to have a Halloween party at her haunted house! First, Abby invited ghost, bat, cat, frog, and Frankenstein to come to her party on Halloween night.

Next, Abby made witch's brew for her guests to drink, yum! Then, she decorated her haunted house and made it look extra spooky.

Finally, her guests arrived! They all had a spooky Halloween party. It is fun to get together with friends on Halloween!
