This game is for two players, one suggests a word and then draws a line for each letter in the word, for example dog is _ _ _ . Draw the lines for each letter at the top of each hangman box and then the second player starts guessing letters and crossing off each letter. If the letter guess is incorrect you put a head on the upside down L. Draw another body part for each subsequent wrong guess. The object is to guess the word before you complete the body.
