

# Man Sent From Heaven

*By: 365greetings*

The angel pushed you down here from the clouds;  
It could've hurt so bad; the thump could be so loud.  
Good thing I was able to catch you right on time;  
Everything in my life has gone so right on rhyme.

I thank God every night for I am loved by a man;  
Who looks beyond my flaws, loyal despite the span.  
Everything seems right and going with the plan;  
Even in my darkest, he never left and ran.
