We find pets do best when Comfy Creatures picks them up directly from your home when no one else is at home, as opposed to you dropping them off at our home. They tend to have less anxiety. If you think your pet may experience anxiety we recommend putting a key on file and letting us pick them up. If you would like to do this please let us know. Charge for pick up is \$18, may be additional mileage costs. Contact us for more information.
