

FEBRUARY

A hand-drawn calendar for the month of February. The title 'FEBRUARY' is written in large, bold, black letters at the top center. The calendar grid consists of 7 columns and 5 rows. The days of the week are labeled at the top of each column: S, M, T, W, T, F, S. The numbers 1 through 28 are placed in the grid cells, starting from the top right and moving left across each row. The grid is decorated with several hearts of different colors (red, pink, purple) on thin stems, positioned above the day labels. The hearts are arranged in a pattern that roughly follows the days of the week: red hearts above the first and sixth columns, pink hearts above the second, third, fourth, and fifth columns, and purple hearts above the seventh and eighth columns.
