

FROM THE DESK OF  
**SANTA CLAUS**

Dear .....,

*Now is the time of year I double-check my Nice List, and I'm delighted to tell you you're on it! You've done very well this year.*

*It's been quite a year, hasn't it? We've all been very busy here at the North Pole getting ready for the big day! The reindeer are excited to get going, and the elves have been working overtime to prepare.*

*I do so look forward to stopping at your house this year. Keep up the good work, and I'll be sure to leave you something special on Christmas morning!*

*Have a wonderful holiday!*

*With Love,  
Santa Claus*
