

Buried Treasure

Dig fast for hidden booty.
You only have 10 seconds
to find as much as you can.

You can trade it in for a reward
but you must give the name
of the treasure you found.

Create a Flag

Create a colorful flag to
enjoy at home. Color one
side of the pattern. Turn
it over and glue a stick in
the middle. Fold it over
and glue your flag pattern
together. Wave it in the
air for all to see
