Roll shape into cone. Use double sided tape along back side of flap. To secure
on head you can use elastic string and punch holes on side of hat.

Baseball Mitt Invite Direct
Note: The party details will
be on the mitt and will be cut
by the ball. When the ball
is lifted you will see the party
invitation details.

Cut out ball and mitt, cut
as shown on mitt in red. If
tab (on ball) in the mitt in
mitt and glue tab to back
mitt. Write party details on
under ball.

Tip: you can type party
details on the center of
mitt before printing

Pennant Banners: Cut out each 'pennant' and use a hole punch in the top left and
right corners (not too close to the edges or your flags may rip easily) and run ribbon
thru the holes and across the back of each flag to string them together. If your
pennants are sliding you can always tape the ribbon to the back of the pennants to
secure.
