

The image shows a template for a library card book pocket. It consists of a central rectangular area with a dashed line at the top, indicating a fold. Two vertical dashed lines extend upwards from the top corners of the rectangle, indicating where to fold the top flaps down. Two vertical solid lines extend downwards from the bottom corners of the rectangle, indicating where to cut. The text 'LIBRARY CARD BOOK POCKET TEMPLATE' is centered in the middle of the rectangle. Below the title, the instructions 'How to Make:' are followed by a numbered list of five steps. The entire template is flanked by two vertical teal bars with white polka dots.
