

Dear Mrs. FA

Green is for the inspiration you give me each day.

Blue is for your patience in showing me the way.

Orange is for your caring style.  
Red is for my life that you have touched this year.

You're a very special teacher just like this jar, that's clear.  
You place knowledge in our children's hands and melt into their hearts forever.  
You're a "Magnificent" & "Marvelous" teacher  
Thank you for being my M&M.

From Ryder
