

## The Candy Cane Prayer

Jesus our Savior,  
born on Christmas Day,  
thank You for Your gifts to us,  
especially the gift of Yourself.  
Thank You, too, for simple gifts  
like this Candy Cane,  
a special sign of  
Your love and care.

It is sweet as well as spicy  
and white as well as red,  
to remind us that life has  
joys as well as sorrows.

May this simple gift  
also remind us  
that You are with us always.

Amen.
