

# NO SOLICITING

Do NOT leave any flyers, cards, brochures or other things to litter our door, gate or driveway.

Do NOT ring our doorbell for any commercial, solicitation or proselytization purposes. Now, if you are bringing us flowers or homemade goodies, then we might make an exception.

We are not interested in:

- **Candy, Fundraising Sales or Other Peddling** - We don't want to get fat or more clutter in the house, and neither do our friends. We don't care about some prize you or some bogus charity you want to win or selling us overpriced products.
- **Home Improvement** - The economy sucks. We have no money to spend on new windows, solar panels, painting, etc.
- **Pest Control** - We like bugs. Besides, we don't want you spraying carcinogens in & around our house.
- **Gardening Services** - We already have a gardener.
- **Housecleaning Services** - We love our Dyson.
- **Magazines or Books** - Believe me, we have tons.
- **Realty Service/ Realtors** - We are not interested in selling or renting our house, or buying another one.
- **Political & Other Canvassers** - We already stand firm in the causes & candidates we believe.
- **Charities** - We already contribute to our own favorite charities and aren't interested in yours.
- **God or Other Religious Groups** - We're heathens and like "sinning." So there.
