

Sight words are the most commonly used and seen words in the English language. Many sight words are not decodable and therefore must be learned by memorization. Learning sight words will improve your student's reading fluency as well as writing ability. If we work together to help your student learn these sight words, your student will increase their readiness for second grade.

First 100 sight words and the spelling words for the year

1 – 25 First Quarter	26 – 50 Second Quarter	51 – 75 Third Quarter	76 – 100 Fourth Quarter
