

Snaps or Velcro

Cut 2 White Minky Fabric
Cut 1 Lightweight Innerfacing

Attach snaps or velcro to fabric. Iron innerfacing to inside front bib. Sew, right sides together (1/4 margin) leaving opening for turning. Trim edges and clip corners. Turn right side out and hand stitch close. Press with a cool iron.

Open for turning.

B Overlap the black bar with the black bar on page 1 and tape together. **B**
