

*My Darling,*

*You are the love of my life. There has never been anyone in my life as special as you. I want to hold you, worship you, and make you very happy each and every day.*

*I just want you to know that I love you even more than the day we first met. I remember the way you made me feel.*

*I am totally devoted to you. Since you have become part of my life I have become a better person. I thank you from the bottom of my heart. I love you.*

*With all my*
