

Be my  
VALENTINE

The image features a dark, textured background resembling a chalkboard. In the center, a heart is drawn with a white outline, and a white arrow with a feathered tail points from the upper left towards the heart. The text 'Be my' is written in a white, elegant cursive font across the top of the heart. Below the heart, the word 'VALENTINE' is written in a large, white, serif font with a hatched or textured interior. Underneath the word 'VALENTINE', there are decorative white flourishes consisting of two symmetrical scroll-like shapes.
