

In this bag of goodies you will find,
Reasons that make you one of a kind
The pretzels are for the twists in life
you've helped me through,

Teaching me by example, the right things to do,
But if needed your door was never shut.

Times when I've made you mad, but still you'd forgive,
So the marshmallows are for the squishy hugs
you would always give!

Raisins are for the wrinkles that will come your way
But I still hope to be like you someday.

M&M's for all the times it's just mom and me,
I'm so glad I'm yours for eternity!
