MAD LIBS™
**HOW TO INTRODUCE
YOUR BOYFRIEND**

Will your family scare your SUPERLATIVE
ADJECTIVE new boyfriend
away? Chances are BULBOUS
ADJECTIVE that they will, so you should
take some STICKY
ADJECTIVE steps beforehand to ensure a/an
LUSCIOUS
ADJECTIVE meeting:

1. Encourage your guy to bring a/an PLATYPUS
NOUN for your mother.

(This should guarantee a/an SPRINGY
ADJECTIVE first impression.)

2. If your family has any unusual HULA-HOOPS
PLURAL NOUN, warn your
boyfriend ahead of time.

3. Tell your mother not to discuss your ex- CORN
NOUN and
how devastated you were when he called off the BABY SHOWER
TYPE OF EVENT
at the last CLAM
NOUN.

Finally, don't panic. Your CHICKEN BOUILLON
NOUN will still love you. After
all, he is not dating your GOVERNOR
NOUN, he's dating you. (And
if he wishes he were dating your GOVERNOR
SAME NOUN, then maybe you
should be looking for a new DIRTY BAND-AID!
NOUN)
