Easter Poem

As you hold these candies in your hand
and turn them all will see, the “M” becomes
a “W”, an “E”, and then a “3”.

E is for **Easter Sunday**, reminding
us that our savior lives.

M is for the **miracles** and **mery**
that Jesus gives.

3 is for the reminder that
Christ rose on the **third day**.

W is for the message that he
is the **only way**.
