

Name That Christmas Song

Can you name the Christmas song each one of these phrases belongs to?

Example:
Dressed in holiday style... **SILVER BELLS**

where the treetops glisten...

the fire is slowly dying...

the same as you and me...

...

...

... the song of angels ...

... on a cold winter's night ...

... is so merry and bright ...

... that will live forevermore ...

...

... without your heart ...
