MAKE PAPER SNOWFLAKES

- YOU'LL NEED:**
 • Scissors
 • A ruler and a pencil
 • A square piece of paper (such as a napkin or a piece of paper cut from a sheet of paper)
1. Fold one corner of the paper down to meet the center of the opposite side. Repeat with the other two corners. You now have a smaller square.
 2. Fold the square in half diagonally to form a triangle. Repeat with the other diagonal. You now have a smaller triangle.
 3. Fold the triangle in half again to form a smaller triangle. Repeat with the other side. You now have a very small triangle.
 4. Cut the corners of the triangle.
 5. Unfold the triangle and you have a snowflake! You can make a snowflake by cutting a small hole in the paper and then unfolding it. You can also make a snowflake by cutting a small hole in the paper and then unfolding it.
